Dear Academy Friends...

It is a joy to be writing each of you concerning our Rose/Dixon Scholarship Fund. Out of tragedy, God will bring tremendous blessing to all our students at TACA. When Curtis Rose and Allen & Donna Dixon faced the greatest challenge that parents or grandparents can face in life, losing loved ones from their home to Heaven, Tennessee Avenue Baptist Church stepped forward to show the love of Jesus. We are providing scholarships for the Rose children in Christian Education. Also, in memory of one of our beloved students, Abbey Dixon, the leadership of our church requested she be honored for her Christian Witness in our school. These two events birthed the Rose/Dixon Scholarship Underwriting Fund! It is my dream to allow every student the availability of Christian Education! Our church already underwrites the school with sacrificial offering to our school's budget needs.

Every private Christian School has to raise money toward the general expenses and budget needs to fulfill its mission. We are asking as many people as possible to give a monthly donation of 5, 10, 15, 25 dollars a month or more! If we have 1000 families giving a monthly donation to our school you can imagine what could be accomplished.

Your donations will facilitate keeping our tuition as low as possible in the coming years! The donation cannot be designated to any certain student; the purpose of this scholarship is to meet the needs of *all* our students and school budget.

Please pass the word and help TACA to ac-

complish great things for God in the future.

God Bless,

Miss Melinda Widener
Principal

Academics

Students are taught using the Christian based Bob Jones curriculum, with the exception of Handwriting in K5-3rd Grades, Math in the middle and high school, and Chemistry in high school. The middle and high schools use Houghton Mifflin math curriculum. Our academic curriculum is supplemented with Bible classes, enrichment courses, and extracurricular activities.

Our school has embraced new and innovative technology for each grade. Students third grade and up have access to a computer lab, where they learn computer keyboarding on

an age appropriate level.

Tennessee Avenue Christian Academy participates in dual enrollment classes

with King University, Bryan College and Northeast State Community College. We also participate in Tennessee Promise, with an on-site mentor. We offer ACT prep classes for our juniors and seniors.

We are proud to say that our graduates move on to the colleges of their choice and become successful members of the workforce.

Athletics

Tennessee Avenue Christian Academy offers a variety of sports for our students, beginning in grade 5. Our teams compete with teams from the Tri-Cities area and surrounding regions.

Our

sports include Lady Crusader volleyball, basketball, and cross country, Crusader basketball, and Crusader cross country. We also share a partnership with Bristol Soccer Association.
